Dear New Student,

Welcome to the start of a great adventure! We are so glad you are here. This year you are going to make new friends, learn new things, and make a difference here at SCES. As your school counselors, it is our responsibility to make sure you have the support you need and help you reach all your goals this school year.

We want to learn more about you! Please complete the survey attached to this letter (you can have a grown-up's help). After you finish it you can put it in the envelope labeled school counseling and give to your teacher.

At the end of each month we will have a new student gathering. During this time we will play a game, take your photo (for our new student bulletin board), and celebrate you! We look forward to meeting you then.

Gooooooooo Gators!

P.S. Our SGA (Student Government Association) made this video to welcome you to SCES and give you some information about our school. Hope you find it useful.

To view the video you can use the QR code or go to our school counseling website (address below) and click on the new students information tab!
